The fax came
After looking at the proposal, I was trembling with fear, but...
A Few Days Later
Surreal
To me, it was a bright, glistening world that was far faaar away..
When talk of making a Drama CD began (because I had never thought it was a possibility) my reaction was quite slow
Heh
It'd be great if I could do this!
Also thank you for deciding on the voice actors and the people in the artiste collection
Ediar H-sama
It was really like this!
I felt as if my heart was gonna get crushed
Is it really okay?
But I'm inexperienced and I'm not done with the comment on the manga
Huh?
I was in the mood to go to a concert until this moment.
Phone
Hour's the manga report going?
One day there was a call from Editor K-sama.

Drama CD [Scarlet] [One Night Stand]

By Madarama Hiro.

Some place in the city...
The first day
The recording of Scarlet
Now, please try it again with a higher pitch
Yes
The sudden change in these people made me hold my breath
(I had goose-bumps)
First, a test was held. I had to listen to various voices speaking various lines.

[Scarlet Group]
※ The things I m writing are my own first impressions, so please pardon me. (sweat) I drdn t actually talk to them...
A guy who seemed awkward while at the same time showcasing his gentleness
A person with mysterious charm
A cool guy with a sweet atmosphere around him
Nakagawa Duvalier Cyrille Ryou
Sugita Tomokuzu-sun
Kouzuki Akio
Nakamura Yuuichi-suu
A guy who gave off manly vibes and phero-mones
A beautiful person who may look aloof, but has a cute voice so much so that I can't stand it
Yamamoto Kaname
Toriumi Kousuke-san
Fukumoto Tae
Hiramatsu Akiku-san
www.BLISSFUL-SIN.com

It was Tonumi-san's
Since there weren't any female voice actors around, he had to do it...
No way, it's just a coincidence
We heard the voice of a girl who was chasing after Ryou. It was really girlish. The VOICE?!
In the middle of the test while Nakamura-san and Sugita-san were practicing their lines,
HAAA
Are you an M?
I was overcome with my nervousness before, but when I heard that I ended up laughing and got all relaxed. But at that moment
Tonumi-san
By this time, I had already forgotten all about the report...
You could have asked me what, exactly, I was doing there...
He is cool, isn't he?
You are becoming weird
An unexpected voice full of pheromones that would make you quiver... Without a second thought, the words "He's super cool..." tumbled out of my mouth.
Entering the climax slowly, and while I was following them... I had... I had...
What a powerful force...
Aaah
And then, that particular scene...
By hearing Ryou's trembling voice and Akio's bitter voice, I wanted to pounce on them.
The Real Act begins!
The two people missed each other. The bitter scene continues.

Wah!
Splurt
Ah
You're doing something weird again
All of my weirdness was revealed
The voice of these two people came like a lab...
Ryou was so cute that I wanted to mess him up
Akio's voice was so gentle, I was relieved
Scarlet had many sad scenes, but
Smiling for real from the scars
The cuteness made my small eyes round
Really!
He's really cute
Shock
I had totally forgotten that I was the one who wrote it
I remembered the issue of the report for the first time
That night...
Can't sleep with all the excitement

[One Night Stand Group]

※ We switched studios and this time I could watch them from the front through a monitor.

The Second Day

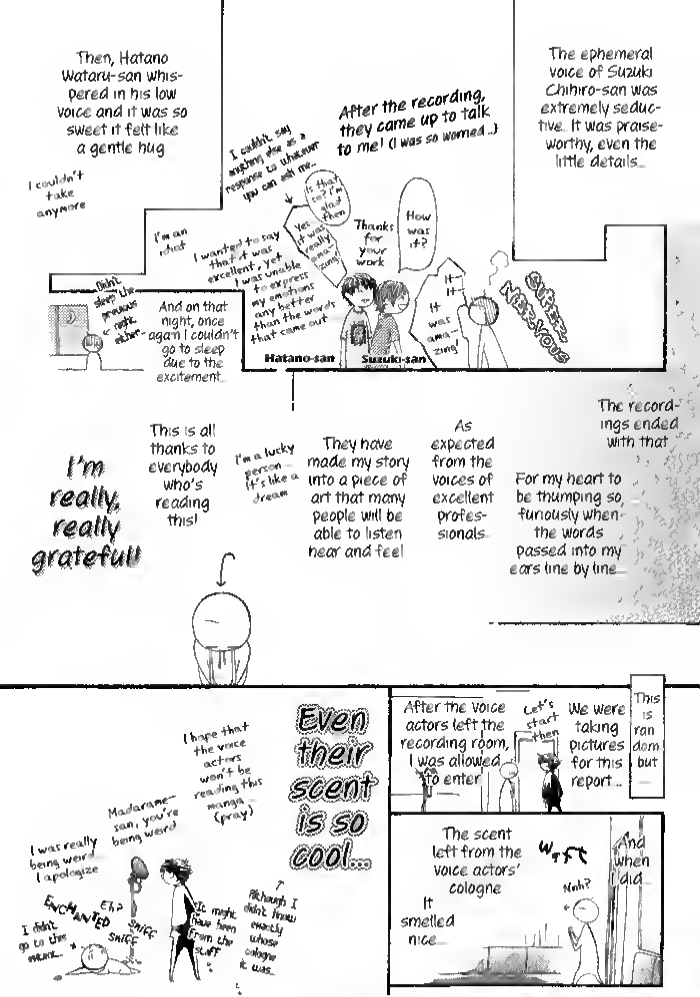
It really is my first time looking at such a pretty person in the flesh...
An energetic person who is so bright that he could raise anyone's enthusiasm
Fujikura Tori
Natano Wataru-san
Chiba Haruma
Suzuki Chibiro-san
All three men had very cool voices. The two ladies had super cute voices. When I had impudently asked to do their sketches they agreed readily. Thank you
Aoki Tsuyoshi san , Honda Youko san , Miura Ayano san , Okayaki Masahiro san , Konno Jyun san
The voice actors who were in charge of supporting roles.

There were many voice actors...
Sk... Sketch
Finally work...
Up until this point though...
This time, I had not forgotten about the report and was serious about it.
There were many people in the One Night Stand group and it was a lively atmosphere

From the beginning to the ending of that scene ..
The content of One Night Stand which I had forgotten
And then, one by one–
The sweet SWEEEEET lines full of an innocent girl feel
Following the flow of [One Night Stand], [More] and [The True Feelings of Toki]
Thank you very much
The numbers decreased
Thank you for your work
Hey..
I got infected with the excited atmosphere that the voice actors whipped up
We started with the test and everybody was enthusiastic
I saw (heard) it.
On-lead, A-sama
You know, this work —
From this point they went all out
Then
And we started to enter the scene of only these two

Now, try your lines.
Something incredible.
Now I really, really want everybody to hear it!
I don't think I can express it with my words
WAS SUPER AWE-SOME!!!
"Aah..."
"Harumi is so cute."
The extent of it...
"Toki... I know... Toki"
"How cute."
If you'd touched my ears, my heart would've exploded.
I really thought that the normal 14th would fall in love
The whis-pering of Toki's voice, their exchanges, Toki's heart
Harumi's admirable voice
At this moment, I was told that I could take the parts I want
EVERYTHING IS JUST SO SWEEEET!
To be ALL OF ALL OF them!
The sign after the incident is...
...
Already in agony unconsciously. If it were allowed, she would be screaming
It really is awesome
I want him to whisper my name in my ears
Editor-sama
The issue of the report is already out of her head
SHUDDER
I'm so sorry
To think that you'll be so agonized about it until the end of the recording
Afterward Editor-sama...
I was being told that
This is the first time I've seen anybody in such agony

www.BLISSFUL SIN.com



Then, Hatano Wataru-san whispered in his low voice and it was so sweet it felt like a gentle hug
I couldn't take anymore
After the recording, they came up to talk to me! (I was so worried...)
I couldn't say anything else as a response to whatever you can ask me...
Is that so? I'm glad then
Yes, it was really awe-some-zing!
Thanks for your work
How was it?
It-- It-- It was awe-some-zing!
The ephemeral voice of Suzuki Chihiro-san was extremely seductive. It was praiseworthy, even the little details...
Suzuki-san Nee-Nee
I'm an idiot
I wanted to say that it was excellent, yet I was unable to express my emotions any better than the words that came out
Hatano-san
Suzuki-san
Shhh... sleep like princess right, sister~
And on that night, once again I couldn't go to sleep due to the excitement...
The recordings ended with that
I'm really, really grateful
This is all thanks to everybody who's reading this!
I'm a lucky person -- it's like a dream
They have made my story into a piece of art that many people will be able to listen hear and feel
As expected from the voices of excellent professionals...
For my heart to be thumping so furiously when the words passed into my ears line by line...
Even their scent is so cool...
I hope that the voice actors won't be reading this manga (pray)
Madarame-san, you're being weird
I was really being weird I apologize
I didn't go to the store...
ENCHANTED
EH?
SNIFF
SNIFF
It might have been from the STAFF
Although I didn't know exactly whose cologne it was...
After the voice actors left the recording room, I was allowed to enter
Let's start then
We were taking pictures for this report...
This is random but
The scent left from the voice actors' cologne
It smelled nice...
WAFT
Nnh?
And when did...
END
